This property at only a few meters from the Arenal Beach is one of those unique opportunities that does not come available very often.

Coming into the apartment, we will enter a bright hallway which gives us access to two bright bedrooms with great views, a spacious bathroom, the fully equipped kitchen and last but definitely not least the spacious and luminous living-dining room, equipped with air conditioning (hot and cold air) and a direct access to the balcony with great mountain views.

The apartment has a covered exterior parking included in the price, which is a great plus, especially in summer!
