Fantastic opportunity with amazing panoramic views and ready to move in!

This traditional but modern style villa at the Montgó area has been recently updated and improved to today's standards.

The villa is distributed over 2 floors. Coming in through the front door you will find a spacious hall, guest toilet, spacious bedroom with en suite bathroom, bright living-dining room with gas chimney and direct access to the outside terrace, brand new and fully equipped kitchen, pantry, lift and access to the downstairs part of the villa.

Going down the stairs you will find another 3 bedrooms, 2 bathrooms, dressing and great spacious terrace with outdoor summer kitchen, storage, heated pool and garden area.

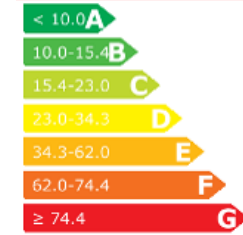

Furthermore, the villa is equipped with under floor heating, air conditioning, solar system and is south facing, a big advantage especially in winter.

If you are interested and would like to receive more information, do not hesitate to call in for more information or a viewing!
