This fabulous villa is very well maintained and ready to move in, making it a great opportunity!

We enter the house through the entrance hall that gives us access to the fully equipped kitchen, a guest toilet, a bedroom, a staircase that goes up to the night area and the living-dining room with its direct access to the covered terrace and the pool area and garden.

Going up the stairs to the night area we find 2 bedrooms, of which one has a private terrace and an en-suite bathroom.

The property is also equipped with air conditioning as well as radiators for the winter season.

The exterior of this house offers a nice garden equipped with an automatic irrigation system, a 11x5m swimming pool, a large garage and space to park another car.
